## Don't miss this once-a-year event!

**Encourage everyone in your family and your friends to participate.**

**Submit your registration immediately. When each session is full the registration will be closed.**

**A competition card must be submitted to the judges before each competition (during warm-ups) so difficulty can be added to the execution score. There are no required routines... within age groups, the highest scoring routines win. Work with your instructors/coaches to present your best possible routine. Contact an HA team coach or office manager for additional information.**
