Tuition pays for 8 class days per session (e.g., eight Mondays) with six sessions per year making 48 class days. Note that this makes four class days per year that NO CLASSES are scheduled. Because no tuition is paid for these days they are not eligible for make-ups. Please participate in our home meets or schedule a clinic, workshop, or social event during the days of No Classes.

**Days of No Classes are marked by a 'X' and are scheduled breaks for which no tuition is charged.**
