Please remember to have your instructor/coach initial the registration form to verify the level you will compete. This is a fun meet for everyone... Don't miss this once-a-year event. Encourage everyone in your family and your friends to participate.

Submit your registration immediately. When each session is full the registration will be closed.

Unlike previous years a competition card must be submitted to the judges before each competition so difficulty can be added to the execution score. This is an international meet so there are no required routines... within age groups, the highest scoring routines win. Work with your instructors and coaches to present your best possible routine. Contact a coach or office manager for additional information.
