

Tuition

2 weeks	4 weeks	6 weeks
\$ 500	\$ 900	\$ 1300

This six week curriculum runs 10 hours per day including four hours of academic instruction in Math, Science/Social Studies, and Language Arts, and six hours of gymnastics, trampoline, enrichments classes, etc., including lunch.

Students in the program will receive intensive training in both Language Arts and Math in order to prepare for the next school year. The program is topic-based and each week students will be immersed into a new exciting topic of the week.

Single Day and Half-Day programs are also available.

Sign up early—There is only a limited number of spaces available.

Please only register children 4 years and older for the Summer School. (Exceptions will be made for very mature preschoolers with permission from the Summer School Head Master.)

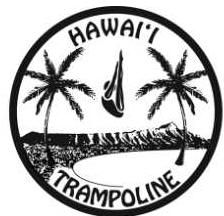

To get an application form:

- Go to www.hawaiiacademy.com
- Visit Hawaii Academy Office
- Give us a call

For more Information regarding the program, academics, physical education, enrichment programs, etc., please feel free to phone us.

Summer School Program

Morning Academic Courses

Active Learning for Little Ones (Those not having completed the first grade)

Phonics, reading fluency, listening skills, number concepts and operations are the basic ingredients of these classes. We've added a touch of music, great literature, lots of opportunity for creative expression and mixed it with a large helping of fun and friendliness to create a wonderful, productive morning for preschool and kindergarten age children. (Minimum four years old)

Language Arts (Students who have completed the first grade)
Students work in small groups to increase vocabulary and improve writing skills. Innovative, multi-sensory teaching techniques and practice, practice, practice make this fast moving class exciting and effective.

Math (Students who have completed the first grade)
Students work individually on their own custom-designed program to meet their unique math goals. Focusing only on the specific skills and concepts insures that students efficiently improve math understanding and performance.

Science/Social Studies (Students who have completed the first grade)

This portion will include an array of age-appropriate academic activities! From geography to anthropology, physics to philosophy and evolution to revolution. This highly interactive class offers intellectual stimulation and excitement every day. Kids will experiment and discover how the scientific method works. A hands-on class where each lesson will lead to new insights.

Physical Activities & Enrichment Classes

Hawaii Academy is a private School for Lifetime Fitness, Gymnastics, Trampoline, and Human Sciences for ALL ages and abilities.

Every student enrolled will receive gymnastics and trampoline instruction on a daily basis, increasing their general and sport specific fitness levels.

Also, each student will participate in various enrichment classes of their choice. Depending on the enrichment class chosen, students can change their class each two weeks.

Enrichment Classes Offered

First 2 Weeks	Second 2 Weeks	Third 2 Weeks
Basic Art	Art outside the Box	Crafting with Salt Dough
Hula	Hula	Hula
Dance	Dance	Dance
Cooking	Cooking	Cooking
Creative Writing	Journalism	Newspaper Making
Experiments Around Us	The Universe	Experiments Around Us

If too few students sign up for an enrichment class Hawaii Academy reserves the right to cancel, duplicate, or expand an Enrichment course. More information about each Enrichment class can be obtained by calling Hawaii Academy.
