Monthly tuition pays for four class days (e.g., four Mondays). Note that most months have blackout dates where there is an extra (5<sup>th</sup>) week. Because no tuition is paid for these days they are not eligible for make-ups. During months with only three class days, please schedule a make-up class within the month. Please participate in our home meets or schedule a clinic, workshop, or social event during the days of 'No Classes.' Remember: On 'X' days there are no regular classes but often clinics and workshops.

**All make-ups must be scheduled BEFORE missing a class.**
